

On 15th September all Dorset Federation secretaries, along with all the other clubs in the SW region received an email from Chris Sutton asking them to discuss the content with their members and hopefully most federation members will have seen the email, briefly, it was to ask clubs to discuss the representation of SW region members at Region meetings, this includes all members, not just club secretaries, and this will enable the region to have a stronger voice for the South West members at RPRA Council meetings.

It is proposed that the meeting will be held at Paultons Rovers, near Bristol on 15th October at 7.30p.m. (to be confirmed) and Chris Sutton will be in attendance.

Please can you discuss at your club meeting. Thank you.
